Purchasing Credits

In order to create your first server with us, You'll need to fund your Account with Credits.

We operate under a Pay-as-you-go payment model;
1. Fund your account with credits, If you purchase more credits at one time, you will receive more credits as a bonus
2. Each of the servers you rent from us will use your account's credit balance
3. When your credit balance reaches below the amount of credits your servers cost , Your servers will be suspended
4. To reactivate your services, you'll need to fund your account with credits

This has numerous benefits to our customers including
- No monthly subscription to forget about
- Never owe money due to a missed payment
- Bulk purchases save you money long term
- Multiple services, One balance, No need for multiple payments for multiple services

If you would like to try our services before purchasing, Take a look around our main website; We offer a few coupon codes to allow potential customers to see how our services work, and if the performance is right for you
